

Title: ICS Early Career Workshop on applying for funding

Date and time: 22 May 2023, 9:30AM - 5:00PM

Registration: <https://ics.sas.ac.uk/events/ics-early-career-workshop-applying-funding>

Description: This workshop is for those finishing or having recently finished a PhD. The morning session will include a series of short talks from ECRs and senior colleagues about their experiences applying for, undertaking, and reviewing postdoctoral work, as well as an overview of available schemes. In the afternoon, there will be the opportunity to workshop postdoc applications with event attendees and organisers. The event will be held online and is intended for anyone working in the broad fields of Classics, Ancient History, and Classical Archaeology.
